

### Philosophy

We acknowledge that each child is unique, belonging to a family within our culturally diverse community and that we are all on a learning journey together.

All children have the right to quality education in a safe, nurturing and stimulating environment, which includes outdoor play and opportunities to connect with nature. We respect children as capable, competent and active learners, believing that 'Uninterrupted Play is the natural way that children learn' (Reflect, Respect, Relate, pg.50) and is the foundation for life-long learning.

We respectfully acknowledge the cultural lands of Nuriootpa and continually strive to build and share our knowledge of and connection with the custodians of the past and present.
